## TRAFALGAR Accounting Solutions for working in Europe

**TRAFALGAR** is able to assist contractors and agencies with swift, reliable and compliant ways of working in Europe.

Through **TRAFALGAR**'s European partners, contractors are offered tax efficient methods of operating in Europe.

A detailed discussion about the different systems of working in Europe is followed by an income projection. Once a decision is made, all the paperwork and contracts are arranged on behalf of the contractor.

Regardless of where the contractor is to be based, there is one European point of contact for all queries.

All this is provided at a competitive fixed fee that includes a local tax return wherever it is required.

Currently, flexible solutions are available in:

- Austria
- Belgium
- Denmark
- France
- Germany
- Holland
- Ireland
- Italy
- Luxembourg
- Spain
- Sweden

Shortly to be followed by a Switzerland solution.
