Managed Umbrella Solution

Individually Customised Solutions

The **TRAFALGAR** Managed Umbrella Solution is an ideal route for first time or short-term contractors and for contractors who like to work independently with the benefits of running a limited company but without the hassles. Contractor Solutions is fast and easy to join and totally flexible, no matter how many times you change assignments.

Benefits to contractor:

- Guaranteed same day invoicing of timesheets
- All taxes and NI paid on behalf of contractor
- Generous expenses dispensation approved by Inland Revenue
- All monthly, quarterly and annual Returns sent to authorities
- Monthly or weekly payrolls at no extra cost
- Monthly statement of account
- Fixed fee payable for each week worked
- No IR35 problems or enquiries
- Up to £1 million Professional Indemnity Insurance Cover
- £10 million Employer's Liability Insurance Cover
- £2 million Public Liability Insurance Cover
- Group Personal Pension

Easy, cost effective and trouble free contracting that is what we offer in **Contractor Solutions**. All you have to concentrate on is your assignment and sending your authorised time sheets and expenses forms to us. We handle all the other processes ensuring your funds are made available to you promptly and you only pay for our service whilst you are working.

Why TRAFALGAR?

The **TRAFALGAR** solutions are flexible - you use as much or as little of the services as you require. Safe in our expertise and knowing that you can alter your solution as your circumstances or requirements change.
